Questions round the table:

Enrico Libera (P1)

- Who are going to sign the MoU?
- How will the recognition be possible and guaranteed?
 - o involve at least one public (local/regional/national) organization
 - o support of EU organization might be an important plus
 - Highlight the Competences: enterprises, associations, regional VET authority, Eu
 Federation of Cleaning Industries, trade union
- Mutual trust
- Which are the minimum elements of the network?
 - o define the perimeter, scope
 - o determine the profiles: core of the MoU OR Annex I. MAX. 3 (?) BEST IS 1 (?)
 - manager? personal trainer?
 - existing OR new profile?
 - list of jobs ->list of profiles ->list of existing and new courses > match 1-3
 - have to be registered in the national/regional registries (?)
 - what does/will the market need?
 - are there national associations that can be involved?
 - o not important to focus on the training the importance is on the core value
 - analyze the particular national systems to know how to recognize and transfer competences
- Annexes
 - o necessary skills for an environmental guide...
 - o language issue: how to overcome?

Project Acronym: ECVET - Health-Tourism Project Nr.: 2012-1-HU1-LEO05-05823

Lunch break

Project website:

- Social media plug-ins
- Like module
- Later on we should start a Facebook, Twitter page
- Newsletter registration form (communication with stakeholders)
- Google analytics should be connected
- Some downloadable documents could be reached after registration
- Logos from all partners
- Partners agree to implement e-mail notifications (for example: about new updates in docs)
- Users guide will be provided by coordinator
- Google drive can be used at the beginning

Logo:

- 1st logo: we need more stars in EU logo and we have to check the blue colour
- the colours should be a bit more powerful
- good that the project name is written in the logo

Next consortium meetings:
